Before You Begin

HOW TO PLAY IN 5 MINUTES

Baristasaurus is a competitive card game where players run dinosaur-staffed coffee shops, racing to fulfil orders. Collect ingredient cards, match them to orders on the table, and earn tips. First to complete 3 orders triggers the final round — most tips wins.

★ READ THIS FIRST — THE CORE LOOP

- 1. Take 2 actions.** Pick up cards, play cards to the table, trade with other players, or fulfil an order.
- 2. Watch the table.** Customers and orders are shared — anyone can fulfil them. However, your barista determines WHICH customers you can serve (herbivores vs carnivores).
- 3. Fulfil orders for tips.** Match ingredient cards in your hand to an order's recipe. Satisfy the customer's extra requests for bonus tips. Add special ingredients for even more.
- 4. Race to 3.** When any player fulfils their 3rd order, a final round begins. Each remaining player gets one last turn, then count tips — highest total wins.

SETUP

- 1 Shuffle the 5 Coffee Shop cards and deal 1 face-up in front of each player. Return unused shops to the box.
- 2 Each player claims the starting ingredients listed on their Coffee Shop from the ingredient deck and adds them to their hand.
- 3 Randomly select 1 Order card and 1 Customer card; place them face-up together on the table.
- 4 Shuffle all remaining cards and deal 5 to each player face-down.
- 5 Players draft their starting hand: each picks 1 card, passes the rest to the next player. Repeat until all 5 are kept.
- 6 Remaining cards form the draw pile (face-down).
- 7 First player: whoever most recently saw a dinosaur. Play proceeds clockwise.

ACTIONS

On your turn, perform up to 2 actions. You may repeat the same action or mix different ones.

PICKUP CARD

Draw 1 card from the draw pile.

Restriction: you can only do this if you have fewer than 12 cards at the start of your turn.

If the draw pile is empty, shuffle the discard pile to form a new draw pile.

PLAY CARD

Play a Special Action, Barista, Order, or Customer card from your hand.

Customer placement:

- ♦ Maximum face-up customers on table = number of players minus 1
- ♦ If below maximum, new customer goes face-up on table
- ♦ If at maximum, new customer must replace an existing one (replaced card goes to discard)

Order placement:

- ♦ If there are customers without orders, the order must go to one of them
- ♦ If all customers already have orders, new order replaces an existing one
- ♦ Cannot play an order if there are zero customers on table

Barista placement:

- ♦ May be played for ANY player (including yourself)
- ♦ Goes face-up on top of the target player's Coffee Shop, replacing their trainee barista (or current barista)
- ♦ If target already has a barista (other than the trainee), the new one replaces it (old goes to discard)

Special Action cards:

- ♦ Played and resolved immediately, then discarded

TRADE CARDS

Either:

- ♦ Discard any 4 cards to draw 3 new cards, OR
- ♦ Negotiate a free-form trade with any other player

FULFIL ORDER

Requirements:

- ♦ You must have a barista (either a trainee from your Coffee Shop or a played Barista card)
- ♦ You must have all required ingredient cards in hand
- ♦ Your barista must be able to serve the customer (type-matching — see Baristas)

On fulfilment:

- ♦ Take the order card and place it beside you (your score pile)
- ♦ Optionally: add 1 special ingredient card beneath the order for bonus tips
- ♦ If you also have the additional ingredients the customer requests, take that customer card too
- ♦ All other used cards go to the discard pile
- ♦ Once fulfilled, the order stays scored regardless of future barista changes

Endgame

WINNING

When any player fulfils their 3rd order, the **final round** begins. Each remaining player (clockwise from the triggering player) takes one last turn. The player who triggered the final round does not take another turn.

Add up tips from all orders, customers, and special ingredients in your score pile. Apply any active barista bonuses at this stage.

Winner: Most tips.

Tiebreaker 1: Most ingredients remaining in hand.

Tiebreaker 2: Best dinosaur impression.
