

GENERAL FEATS

General feats represent broadly useful training and aptitude: skill bonuses, survival tricks, and character-building options not tied to combat, spellcasting, or item creation. This page covers all 49 core-rulebook General feats, alphabetized (including Leadership).

ACROBATIC

General

You are skilled at leaping, jumping, and flying.

Benefits: You get a +2 bonus on all Acrobatics and Fly skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

ACROBATIC STEPS

General

You can easily move over and through obstacles.

Prerequisites: Dex 15, Nimble Moves.

Benefits: Whenever you move, you may move through up to 15 feet of difficult terrain each round as if it were normal terrain. The effects of this feat stack with those provided by Nimble Moves (allowing you to move normally through a total of 20 feet of difficult terrain each round).

ALERTNESS

General

You often notice things that others might miss.

Benefits: You get a +2 bonus on Perception and Sense Motive skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

ALIGNMENT CHANNEL

General

Choose chaos, evil, good, or law. You can channel divine energy to affect outsiders that possess this subtype.

Prerequisites: Ability to channel energy.

Benefits: Instead of its normal effect, you can choose to have your ability to channel energy heal or harm outsiders of the chosen alignment subtype. You must make this choice each time you channel energy. If you choose to heal or harm creatures of the chosen alignment subtype, your channel energy has no effect on other creatures. The amount of damage healed or dealt and the DC to halve the damage is otherwise unchanged.

Special: You can gain this feat multiple times. Its effects do not stack. Each time you take this feat, it applies to a new alignment subtype. Whenever you channel energy, you must choose which type to effect.

ANIMAL AFFINITY

General

You are skilled at working with animals and mounts.

Benefits: You get a +2 bonus on all Handle Animal and Ride skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

ATHLETIC

General

You possess inherent physical prowess.

Benefits: You get a +2 bonus on Climb and Swim skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

AUGMENT SUMMONING

General

Your summoned creatures are more powerful and robust.

Prerequisites: Spell Focus (conjuration).

Benefits: Each creature you conjure with any *summon* spell gains a +4 enhancement bonus to Strength and Constitution for the duration of the spell that summoned it.

COMBAT CASTING

General

You are adept at spellcasting when threatened or distracted.

Benefits: You get a +4 bonus on concentration checks made to cast a spell or use a spell-like ability when casting on the defensive or while grappled.

COMMAND UNDEAD

General

Using foul powers of necromancy, you can command undead creatures, making them into your servants.

Prerequisites: Channel negative energy class feature.

Benefits: As a standard action, you can use one of your uses of channel negative energy to enslave undead within 30 feet. Undead receive a Will save to negate the effect. The DC for this Will save is equal to 10 + 1/2 your cleric level + your Charisma modifier. Undead that fail their saves fall under your control, obeying your commands to the best of their ability, as if under the effects of *control undead*. Intelligent undead receive a new saving throw each day to resist your command. You can control any number of undead, so long as their total Hit Dice do not exceed your cleric level. If you use channel energy in this way, it has no other effect (it does not heal or harm nearby creatures). If an undead creature is under the control of another creature, you must make an opposed Charisma check whenever your orders conflict.

DECEITFUL

General

You are skilled at deceiving others, both with the spoken word and with physical disguises.

Benefits: You get a +2 bonus on all Bluff and Disguise skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

DEFT HANDS

General

You have exceptional manual dexterity.

Benefits: You get a +2 bonus on Disable Device and Sleight of Hand skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

DIEHARD

General

You are especially hard to kill. Not only do your wounds automatically stabilize when grievously injured, but you can remain conscious and continue to act even at death's door.

Prerequisites: Endurance.

Benefits: When your hit point total is below 0, but you are not dead, you automatically stabilize. You do not need to make a Constitution check each round to avoid losing additional hit points. You may choose to act as if you were disabled, rather than dying. You must make this decision as soon as you are reduced to negative hit points (even if it isn't your turn). If you do not choose to act as if you were disabled, you immediately fall unconscious.

When using this feat, you are staggered. You can take a move action without further injuring yourself, but if you perform any standard action (or any other action deemed as strenuous, including some swift actions, such as casting a quickened spell) you take 1 point of damage after completing the act. If your negative hit points are equal to or greater than your Constitution score, you immediately die.

Normal: A character without this feat who is reduced to negative hit points is unconscious and dying.

ELEMENTAL CHANNEL

General

Choose one elemental subtype, such as air, earth, fire, or water. You can channel your divine energy to harm or heal outsiders that possess your chosen elemental subtype.

Prerequisites: Channel energy class feature.

Benefits: Instead of its normal effect, you can choose to have your ability to channel energy heal or harm outsiders of your chosen elemental subtype. You must make this choice each time you channel energy. If you choose to heal or harm creatures of your elemental subtype, your channel energy has no effect on other creatures. The amount of damage healed or dealt and the DC to halve the damage is otherwise unchanged.

Special: You can gain this feat multiple times. Its effects do not stack. Each time you take this feat, it applies to a new elemental subtype.

ENDURANCE

General

Harsh conditions or long exertions do not easily tire you.

Benefits: You gain a +4 bonus on the following checks and saves: Swim checks made to resist nonlethal damage from exhaustion; Constitution checks made to continue running; Constitution checks made to avoid nonlethal damage from a forced march; Constitution checks made to hold your breath; Constitution checks made to avoid nonlethal damage from starvation or thirst; Fortitude saves made to avoid nonlethal damage from hot or cold environments; and Fortitude saves made to resist damage from suffocation.

You may sleep in light or medium armor without becoming fatigued.

Normal: A character without this feat who sleeps in medium or heavier armor is fatigued the next day.

ESCHEW MATERIALS

General

You can cast many spells without needing to utilize minor material components.

Benefits: You can cast any spell with a material component costing 1 gp or less without needing that component. The casting of the spell still provokes attacks of opportunity as normal. If the spell requires a material component that costs more than 1 gp, you must have the material component on hand to cast the spell, as normal.

EXTRA CHANNEL

General

You can channel divine energy more often.

Prerequisites: Channel energy class feature.

Benefits: You can channel energy two additional times per day.

Special: If a paladin with the ability to channel positive energy takes this feat, she can use lay on hands four additional times a day, but only to channel positive energy.

Prerequisites: Bardic performance class feature.

Benefits: You can use bardic performance for 6 additional rounds per day.

Special: You can gain Extra Performance multiple times. Its effects stack.

Special: You can gain Extra Rage multiple times. Its effects stack.

FLEET

Special: You can take this feat multiple times. The effects stack.

GREAT FORTITUDE

General

You are resistant to poisons, diseases, and other maladies.

Benefits: You get a +2 bonus on all Fortitude saving throws.

General

Choose a school of magic to which you have already applied the Spell Focus feat. Any spells you cast of this school are very hard to resist.

Prerequisites: Spell Focus.

Benefits: Add +1 to the Difficulty Class for all saving throws against spells from the school of magic you select. This bonus stacks with the bonus from Spell Focus.

Normal: Without this feat, you may counter a spell only with the same spell or with a spell specifically designated as countering the target spell.

IMPROVED FAMILIAR

General

This feat allows you to acquire a powerful familiar, but only when you could normally acquire a new familiar.

Prerequisites: Ability to acquire a new familiar, compatible alignment, sufficiently high level (see below).

Benefits: When choosing a familiar, the creatures listed below are also available to you. You may choose a familiar with an alignment up to one step away on each alignment axis (lawful through chaotic, good through evil).

IMPROVED GREAT FORTITUDE

General

You can draw upon an inner reserve to resist diseases, poisons, and other grievous harm.

Leadership Modifiers

Several factors can affect your Leadership score, causing it to vary from the base score (character level + Cha modifier). Your reputation (from the point of view of the cohort or follower you are trying to attract) raises or lowers your Leadership score:

Ranks in your chosen skill count as your caster level for the purposes of qualifying for the Craft Magic Arms and Armor and Craft Wondrous Item feats. You can create magic items using these feats, substituting your ranks in the chosen skill for your total caster level. You must use the chosen skill for the check to create the item. The DC to create the item still increases for any necessary spell requirements (see the magic item creation rules in Magic Items). You cannot use this feat to create any spell-trigger or spell-activation item.

Normal: Only spellcasters can qualify for the Craft Magic Arms and Armor and Craft Wondrous Item feats.

NATURAL SPELL

General

You can cast spells even while in a form that cannot normally cast spells.

Prerequisites: Wis 13, wild shape class feature.

Benefits: You can complete the verbal and somatic components of spells while using wild shape. You substitute various noises and gestures for the normal verbal and somatic components of a spell.

You can also use any material components or focuses you possess, even if such items are melded within your current form. This feat does not permit the use of magic items while you are in a form that could not ordinarily use them, and you do not gain the ability to speak while using wild shape.

NIMBLE MOVES

You are swift of foot.

Benefits: When running, you move five times your normal speed (if wearing medium, light, or no armor and carrying no more than a medium load) or four times your speed (if wearing heavy armor or carrying a heavy load). If you make a jump after a running start (see the Acrobatics skill description), you gain a +4 bonus on your Acrobatics check. While running, you retain your Dexterity bonus to your Armor Class.

Normal: You move four times your speed while running (if wearing medium, light, or no armor and carrying no more than a medium load) or three times your speed (if wearing heavy armor or carrying a heavy load), and you lose your Dexterity bonus to AC.

SELECTIVE CHANNELING

General

You can choose whom to affect when you channel energy.

Prerequisites: Cha 13, channel energy class feature.

Calling upon higher powers, you cause undead to flee from the might of your unleashed divine energy.
